Courses Offered Under Contract:

38 U.S. Code of Federal Regulations 21.4252(m) states that VA may not approve the enrollment of a veteran, service member, reservist, or eligible person in a course as a part of a program of education offered by any educational institution if that institution or entity providing the course under the contract, memorandum of understanding or similar affiliation agreement has not obtained a separate approval for the course in the same manner as for any other course as required by VA regulations.

We have read and understand the above referenced regulation. We certify that the school facility has complete administrative and curriculum oversight of all programs submitted for approval and that no contracted institution, entity or employee, which has not obtained approval to offer Title 38 benefits, has any part in the administrative or curriculum oversight of any program (to include deemed-approved degrees) submitted for approval.
